My dear friend,

I understood that our concert
was to be strictly a sonata concert
and therefore I suggest to following
the programme

Sonata a minor – Schumann

[ditto] E flat – Mozart

[ditto] A major – Brahms

[ditto] ~~E minor – Mozart~~

Kreutzersonate – Beethoven

I dislike playing solos now.

Do you think really anyone
could object against my act
of piety in playing for the

Leighton house one piece with
the quartet? I cannot imagine
it, it would be perfectly bad
taste on the part of the committee.
Au revoir soon

With kindest regards

yours

Joseph Joachim
